REPTON  
A really good pub

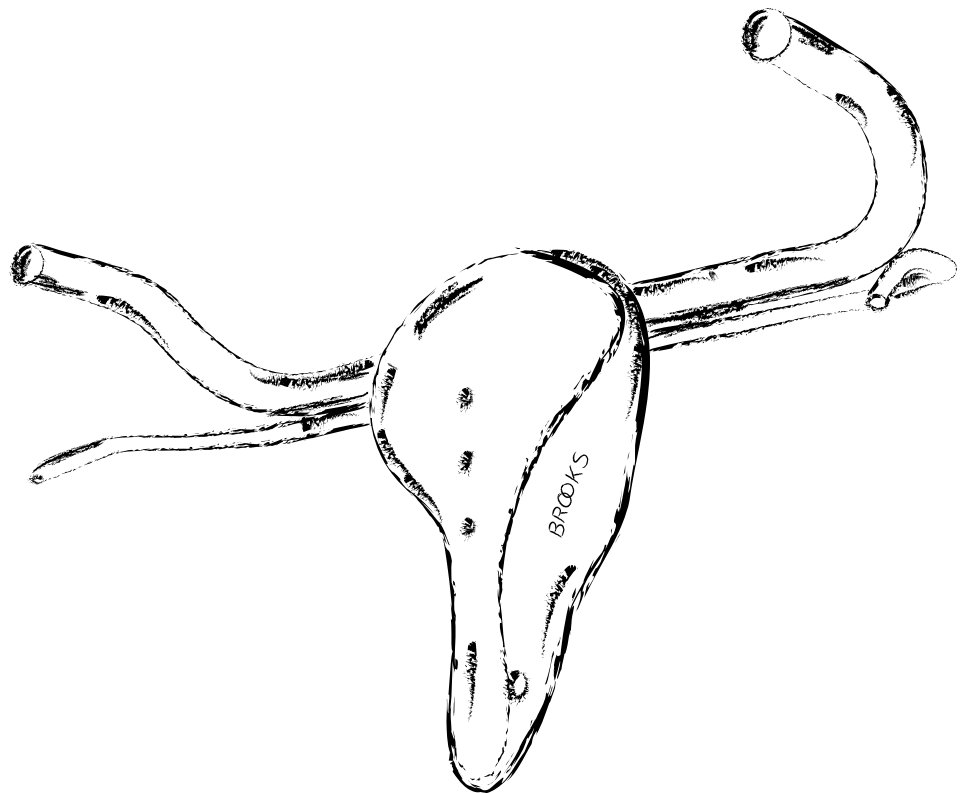

## THE SMALL PRINT

We can trace all of our meat back to specific farms, mostly in Derbyshire & Staffordshire. Our beef steak is matured for longer - to give outstanding tenderness and flavour.

Sorry - but we do handle nuts in the kitchen and therefore cannot guarantee that our dishes are nut free.

Tipping is totally up to you - we do not put an extra 'service charge' onto your bill - we would all feel awkward if we did that!

Due to the huge charges - we are not able to accept payment with American Express cards (please feel free to tell them)
