Overview

We are a privately owned, very busy, *multiple award winning quality pub & restaurant*.

Our food sales have been growing for the past 4 years. As a result, we have recently built a 2nd kitchen... we need a bigger team!

Why Join Us ?

We have a fantastic 300 year old pub in a beautiful, affluent, Derbyshire village. It is a stylish yet casual pub on the ground floor, dining rooms on the first floor and a huge outside terrace for al-fresco meals. The building is packed with original oak beams, York stone floors and real fires. It has outstanding character and is a lovely place to work.

Food is on offer every day. The menus are printed daily and are all about quality. Everything is home made.

Responsibilities of the role

This is a fantastic opportunity for someone who is keen to develop their cooking and commercial skills and to progress through the roles in the kitchen brigade. You will be able to develop these skills by working closely with the senior chefs and by taking full control of specific sections when necessary.

Who are we looking for?

We are looking for a happy, positive thinking person who gets really passionate about real food - someone who wants to help us win more food awards.

You will probably either be in a Chef de Partie or Commis Chef role at the moment. You will have a CV to demonstrate your passion for food and you will also have first class references.

In return - we can offer a great working environment, the opportunity to be involved in a fabulous start up development and some unrivalled training experience. Promotion prospects will be available for the right people.
