To all staff and customers

**Charity Quiz Night - Donation to Kidney Cancer UK**

On behalf of the Kidney Cancer UK Trustees, I am writing to thank everyone who contributed to and/or participated in the Charity Quiz Night in memory of Ian Taylor.

**As a result of your Quiz Night, you have raised a staggering £600.00 for our charity and I send you all a very big thank you!**

Your donation will go towards:

- the costs involved in providing kidney cancer literature to kidney cancer patients and their families
- our ongoing campaign which seeks to gain approval for new kidney cancer drugs to be made available on the NHS
- the raising of awareness
- earlier diagnosis
- our Annual Kidney Cancer Conference organised especially for kidney cancer patients and their carers

As a result of fundraising and donations from people like yourselves, we are extremely pleased that we are now able to invest money in having a new user friendly website built and your donation may also contribute towards this.

I hope that you can all be assured that we are extremely grateful for your donation and that it really will contribute towards making the world of difference to those affected by kidney cancer.

With special thanks to you all,

Yours sincerely,

Julie Oldfield
